Smart Like A Person, Just Set & Forget

• See •

LDS Lidar + anti-collision sensors, draws accurate maps, go around the furniture go through the curtain.

• Plan •

SLAM algorithm plans cleaning routes to ensure high coverage and high efficiency.

• Decide •

Identifies areas it should keep away from and reminds the user to set off-limit areas.

• Remember •

Automatically continues on with remaining task after recharging.

Automatically Switch Sweeping & Mopping

Install the tank

Auto switches to mopping mode

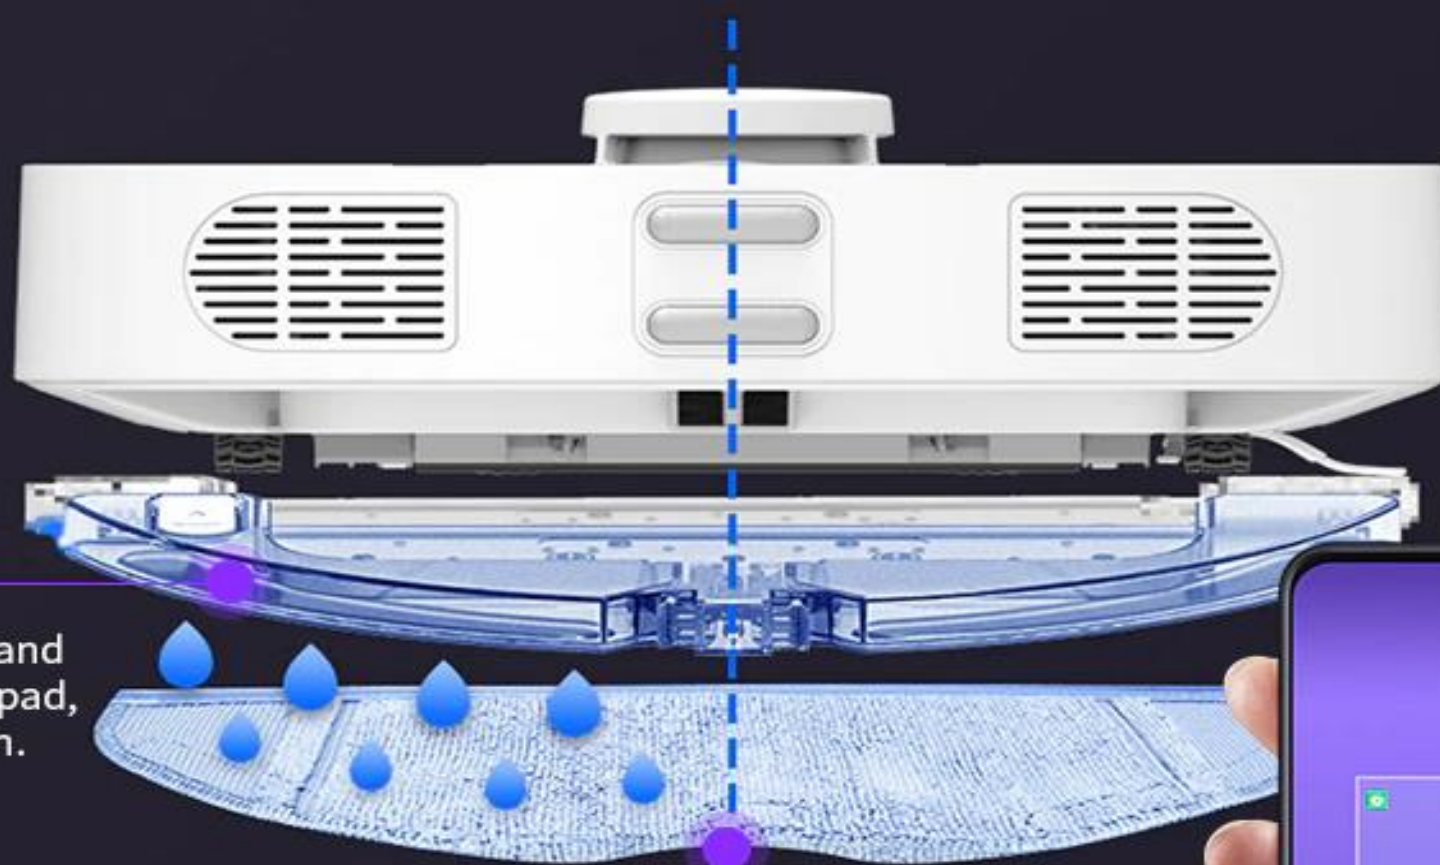

Remove the tank

Auto switches to sweeping mode

Smarter & Better Mopping Function

150ml tank:

Water seeps out slowly and evenly on the mopping pad, NO repeatedly pad wash.

Working

Not working

Smart stop:

Auto stops the water when the vacuum cleaner stops moving, NO water stains.

Mopping off-limit:

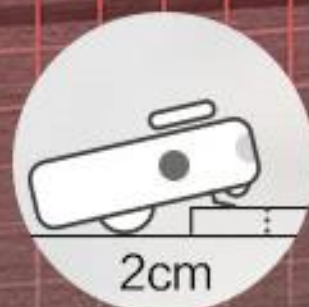

Now you can set mopping off-limit area on App, NO wet carpet.

Climb Over Small Obstacles, Avoiding Big Ones

4 anti-drop sensors on the bottom to detect the vacuum cleaner is off the ground, identify steps and other big obstacles.

Special high-throughput design, easy to cross obstacles below 2cm, will not be intercepted by books or toys on the floor.

THE POWER OF ONE

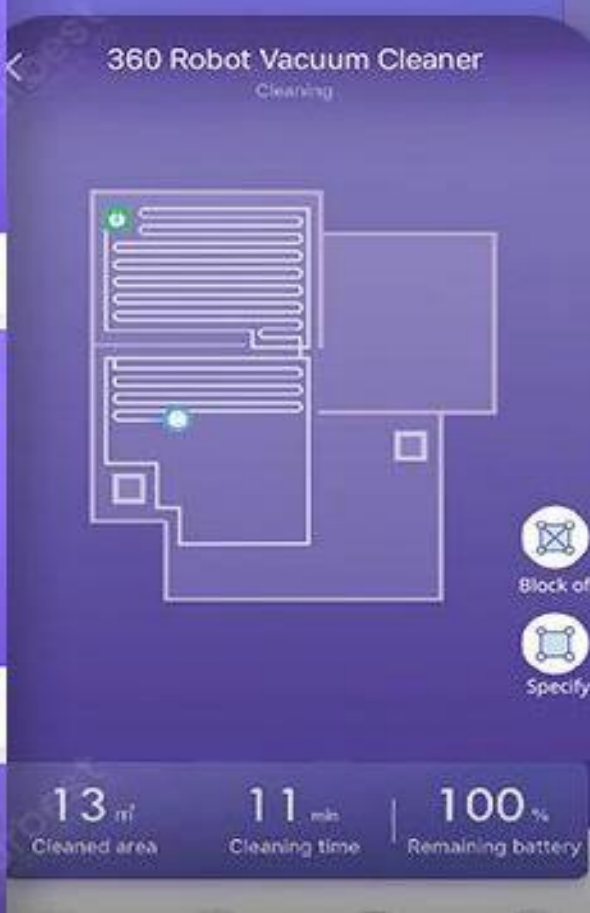

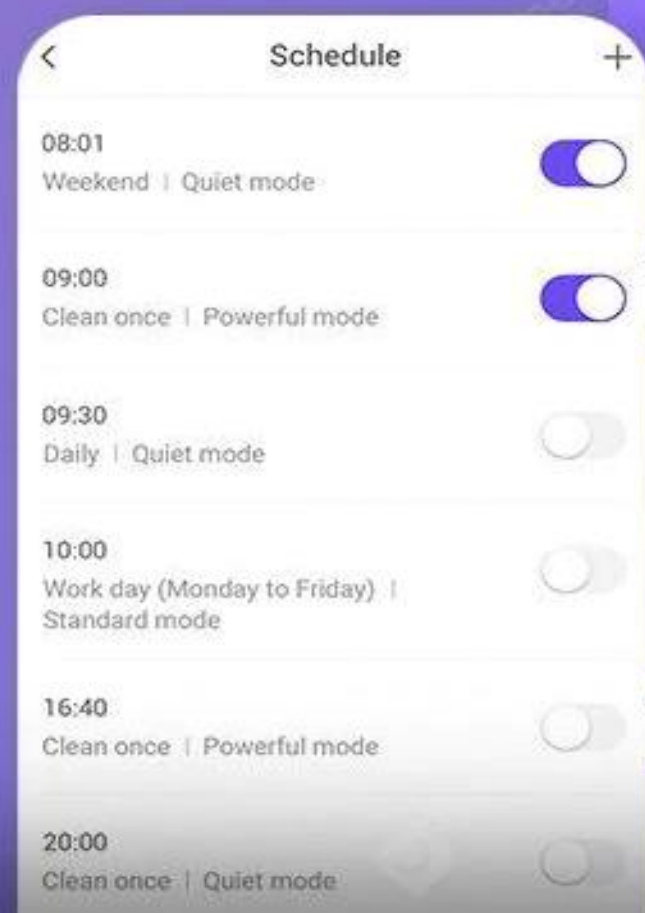

Cleaning Floors Has Never Been So Easy

 Multiple maps

 Set cleaning area / off-limit

 Schedule cleaning

 Clean by rooms

Powerful But Quiet, Max Noise 65dB

Use NIDEC brushless motor and streamlined duct, better air flow without suction loss, reduce the outlet noise. According to the different noise characteristics of each gear, a more suitable muffling material is selected to optimize the noise reduction technology.

800Pa
Quiet

1300Pa
Automatic

2000Pa
Max

Fits the Floor, Identifies Carpets

The self-adjusted main brush allows the vacuum to handle uneven surfaces with more flexibility. When entering carpet areas, the vacuum automatically switches to max mode with 2000Pa suction power for deep cleaning.

Carpet

360 S7 Descriptions

Main Features:

- LDS Lidar and SLAM algorithm, smarter and more efficient cleaning routes planning
- Set sweeping and mopping off-limited areas via APP
- Voice control through Alexa, easy to interact with your robot vacuum cleaner
- Easy sweeping and mopping switch, automatically switches to mopping mode after installing the water tank, switch back to sweeping when the tank is removed

- Smart water tank, water seeps out slowly and evenly on the mopping pad, and stops when the cleaning stops, leaves no water stains on your floor
- Intelligent room identification, users can customize cleaning specifically for living room, bedroom, corridor, bathroom, etc.
- 3 cleaning modes: quiet, automatic, max, max 2000Pa suction, max 65dB noise
- Carpet recognition, automatically switches to max mode with 2000Pa suction power for deep cleaning

- Self-adjusted main brush to handle uneven surfaces with more flexible
- Automatically recharge and resume, go back to recharge when power is lower than 20 percent, after being fully recharged, automatically continue the unfinished cleaning task
- Memory cleaning area to ensure efficient cleaning of large house
- Control panel button light color: normal display blue light, error display red light, distribution network display a blue light
- International version package includes European, American, Korean, British and Australian power adapter

Specifications:

APP name: 360 Smart

Battery capacity: 3000-3200mAh

Specification

General	<p>Brand: 360</p> <p>Model: S7</p> <p>Accessories Types: Sweeper</p> <p>Material : ABS</p> <p>Cleaner Types: Vacuum Cleaner</p> <p>Feature: Remote Control</p> <p>Remote Control: Yes</p> <p>LCD Display: Yes</p> <p>Schedule Function: Yes</p> <p>Self Recharging: Yes</p> <p>Virtual Wall: Yes</p> <p>Climb Capability: 20mm</p> <p>Cleaning Modes: Slam planning</p> <p>Cleaning Area (sq.m.): 80 -100m2</p> <p>Floor Types: Carpet,Ceramic Tile,Marble Floor,Shag Carpet,Tile Floor,Wood Floor</p> <p>Dust Box Capacity: 570ml</p> <p>Water Tank Capacity: 150ml</p> <p>Noise (dB): ≤65dB</p> <p>Power (W): 22.8W</p> <p>Charging Time: 3 hours</p> <p>Working Time: The automatic mode is about 80 - 120 minutes, and the max power mode is about 50 minutes</p> <p>Working Temperature: 10 to 45 Degrees Celsius</p> <p>Working Humidity: 20 - 90 percent</p>
Dimensions and Weight	<p>Product weight: 3.8000 kg</p> <p>Package weight: 6.6500 kg</p> <p>Product size (L x W x H): 35.00 x 35.00 x 10.00 cm / 13.78 x 13.78 x 3.94 inches</p> <p>Package size (L x W x H): 53.00 x 43.00 x 17.00 cm / 20.87 x 16.93 x 6.69 inches</p>
Package Contents	<p>Package Contents: 1 x Floor Mopping Robot, 1 x Side Brush, 1 x Rag, 1 x EPA - 12, 1 x Cleaning Brush, 1 x Charging Stand, 5 x Charging Adapter, 1 x Water Tank, 1 x English Manual</p>
